The address for Circuit City Stores West Coast, Inc. is 9250 Sheridan Boulevard, Westminster, Colorado 80031. For all other Debtors, the address is 9950 Mayland Drive, Richmond, Virginia 23233.

Pursuant to Rules 26 and 33 of the Federal Rules of Civil Procedure, as made applicable by Rules 7026, 7033 and 9014 of the Federal Rules of Bankruptcy Procedure, and the Local Rules for the United States Bankruptcy Court for the Eastern District of Virginia, the debtors and debtors-in-possession (collectively, the "Debtors"), through their attorneys, subject to and without waiving any of the objections set forth below, hereby respond to Paramount Home Entertainment Inc.'s ("Paramount") First Set of Interrogatories to Circuit City Stores, Inc., et al. (the "Interrogatories") as follows:²

GENERAL OBJECTIONS

The Interrogatories are responded to subject to the general objections set forth below. These limitations and objections, which form a part of the response to each and every interrogatory, are set forth here to avoid the duplication and repetition of restating them for each response. These general objections may be specifically referred to in a response to certain Interrogatories for the purpose of clarity. However, the failure to specifically incorporate a general objection is not intended, and should not be construed, as a waiver of same.

² By agreement of the parties, the Debtors are responding at this time only to interrogatories number 7, 8, and 9. The Debtors and Paramount have agreed that the Debtors' deadline to respond and object to the remainder of the interrogatories and document requests propounded upon the Debtors in Paramount's First Set of Interrogatories and Requests for Production of Documents is adjourned until a date to be determined.

A. Any response to the Interrogatories is subject to the Debtors' right to object to the competency, relevance, materiality, or admissibility of any such response in this or any other proceeding or action. The supplying of any information or document in response to the Interrogatories does not constitute an admission by The Debtors that such information is relevant or admissible.

B. The Debtors object to the Interrogatories to the extent they purport to impose obligations beyond those imposed by the Federal Rules of Civil Procedure and the applicable local practice rules.

C. The Debtors object to the Interrogatories to the extent they call for disclosure of information protected by the attorney-client privilege, the work product doctrine or other applicable privileges and/or immunities, and will not disclose such information. Inadvertent production of privileged or otherwise objectionable information shall not be deemed a waiver of any privilege.

D. The Debtors object to the Interrogatories to the extent that they are overly broad, unduly burdensome, and/or not reasonably calculated to lead to the discovery of admissible evidence.

E. The Debtors object to the Interrogatories to the extent that they improperly seek the disclosure of the opinions,

mental impressions, conclusions or legal theories of the Debtors, its counsel or other representatives.

F. The Debtors object to the Interrogatories to the extent that the information sought is not limited to information or documents within the Debtors' possession, custody or control. The Debtors further object on the ground that searching for such information would be unreasonably burdensome, time-consuming and expensive.

G. Any reference to a document contained in the responses to the Interrogatories shall not be deemed to be an admission that any particular copy of the document is authentic or genuine, nor shall it be deemed an admission of the relevance or admissibility of the document. The Debtors reserve their rights to object to the authenticity, relevance, and admissibility of any such documents referred to in the responses to the Interrogatories.

H. The Debtors reserve the right to introduce or make use of at any hearing and at trial documents or information not known to exist after a reasonable search undertaken to comply with the Interrogatories, to make supplemental disclosures and to make any further objections that may become apparent as additional documents and/or information are located during discovery and thereafter.

I. The Debtors' failure to object to an Interrogatory on a particular ground shall not be construed as a waiver of its right to object on that ground or any additional ground at any time.

J. The answers and objections herein are based on the Debtors' present knowledge, information and belief. The Debtors reserve the right to amend, revise, correct, and to clarify any of the answers or objections herein and incorporate relevant, responsive and non-objectionable information found within any documents the Debtors produce to Paramount.

Subject to these General Objections, which Debtors hereby incorporate into each response below, Debtors respond to the Interrogatories as follows:

SPECIFIC OBJECTIONS AND RESPONSES

INTERROGATORY NO. 7:

Identify the goods sold by Paramount to the Debtors that were in the Debtors' inventory on the Petition Date, including the date of receipt of such goods and the cost to the Debtors of such goods.

RESPONSE TO INTERROGATORY NO. 7:

In addition to and including the General Objections, the Debtors object to this Interrogatory because the term "cost" as used herein is vague, ambiguous and open to numerous interpretations. The Debtors further object to this Interrogatory to the extent it seeks information or documents

that are within Paramount's custody or control, and thus are available from a less burdensome or less costly source than the Debtors.

Subject to the foregoing objections and the General Objections, the Debtors respond as follows: Pursuant to Rule 33(d) of the Federal Rules of Civil Procedure, the Debtors have provided with these responses and objections a spreadsheet containing a report of the goods sold by Paramount to the Debtors that were in the Debtors' inventory as of the end of business on November 9, 2008.

INTERROGATORY NO. 8:

State the amount of proceeds the Debtors received from the sale of Paramount goods from the Petition Date through the present time in the form of a daily tally, if possible. If it is not possible to provide a daily tally, please provide a tally that breaks the proceeds down by the shortest period (e.g., week, month) feasible.

RESPONSE TO INTERROGATORY NO. 8:

In addition to and including the General Objections, the Debtors object to this Interrogatory because the term "proceeds" as used herein is vague, ambiguous and open to numerous interpretations. The Debtors further object to this Interrogatory as overbroad, unduly burdensome and not reasonably calculated to lead to the discovery of admissible evidence.

Subject to the foregoing objections and the General Objections, the Debtors respond as follows: This data is not available because the Debtors' recordkeeping systems did not track sales records in this manner for entertainment (DVD/CD/games) vendors. Upon information and belief, sales data relating to the "brand" for most movies, music and games sales was recorded as a general placeholder (in this case, "UPC") and did not relate back to any particular vendor.

INTERROGATORY NO. 9:

Identify the Paramount goods currently still remaining, if any, in the Debtors' inventory.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

RESPONSE TO INTERROGATORY NO. 9:

Subject to the General Objections, the Debtors respond
as follows: There are no Paramount goods currently still
remaining in the Debtors' inventory.
